ETHICS, DISCLOSURES AND PLAGIARISM

Journal of Geological Issues follows principles and guidelines of Committee on Publication Ethics (COPE) shown in www.publicationethnics.org.

The Journal publishes single blind peer reviewed articles.

AUTHOR GUIDELINES

Manuscript preparation

- Single file manuscript is recommended including text, figures, and tables.
- The journal recommends to use US spelling.
- Numerical values should be given in SI units.
- Footnotes are only allowed for Tables.

Parts of the manuscript

Manuscripts should have title, abstract and key words, text, acknowledgements, references.

Title

The title should have the title of the paper, the names of the authors and the addresses of the institutions. Corresponding authors name and email address should be written as well.

Abstract and key words

Abstract should be less than 500 words and contains the purpose, methods, main findings and principal conclusions. Abstract also should have 3 to 6 keywords.

Text

Original research article should follow IMRaD (Introduction – Method - Results - and – Discussion) format. Other type of articles can be clearly defined section and subsections.

In the text, author's name without initials and year of publication should be written (e.g, Author, year; Author and Author, year; Author et al., year).

Acknowledgements

Financial grants and funding should be acknowledged. The contribution of colleagues or institutions should also be acknowledged.

References

Author, A., Author, B., Author, C. (year). Title of article. Title of periodical, Volume number, Pages.
